STAR INTERNATIONAL SCHOOL,

10<sup>th</sup> September 2018

Dear Parents and Children,

It's been a much calmer start to the second week in school, with everyone now knowing their classrooms and heading straight there for registration. I've been into a few classes at present, all of the children being busy with morning activities and getting into the routine of school very quickly.

## WELCOME TO FS1 CHILDREN and PARENTS

Welcome to the new **EYFS1** children and parents. It was lovely to see many of you at the Orientation Day on Sunday. A lot of information was delivered, if you are still concerned about things or don't quite understand the systems spoken about, please see Ms Maddie or myself, we will be only too pleased to help you.

## DUBAI POLICE

Last Thursday Dubai Police visited school to wish everyone a successful new academic year. The Police wanted to meet children from a couple of different year groups to say hello and find out what was happening in school. Well done to Lola, Amy, Aydin and Uhood who chatted quite happily with the Police about our school values, the houses and how the start of the year had been for them.

## ASSEMBLY

Our first assembly this year was last Thursday. Children met all the teachers across the school and hopefully now know who everyone is. We also had our first "Star of the Week" Awards, these children are mentioned on the board outside my office at the front of school.

## LANYARD

Can I please remind ALL parents that everyone should be wearing their lanyards coming into school in the morning and also when picking children up from school in the evening.
