No.2

STAR INTERNATIONAL SCHOOL,

15th September 2020

Dear Parents,

I hope you had a good weekend. Let me start the newsletter with the wonderful virtual KS2 assembly held last week.

KS2 ASSEMBLY

Last Thursday, Mr. Chris hosted our first KS2 assembly of the new school year. It was online with children in Y5/6 and those doing Distance Learning joining using their Chromebooks and children in Y3/4 joining together with their teacher. We had over 140 participants plugged in sharing how they have been showing their House Values in the first week back! Even though we were keeping safe by socially distancing it was still great to see everyone's face and hear about their week!

YEAR 1

In Year 1 we have been busy looking at the story 'We're going on a bear hunt' and completing learning activities around the book. We have been using our math skills to order numbers to 10 and beyond, we also showed our artist skills by drawing our self-portraits.

SWIMMING POOL CAR PARK – PICK UP

Can I please remind parents that the swimming pool car park is one way. Yesterday we had an incident where a parent drove the wrong way through the car park, ignoring what the site staff were telling her. This caused many congestion issues but also irritated and frustrated parents as well as the site team.

The car park is a high risk area and everyone **MUST** follow the directions of the procedures as otherwise children will get hurt.

I am aware it is quite busy down there, but if we all follow the correct systems, everyone should remain safe.

On a brighter note, I have been told the car parks will be finished at the end of the week, if so, I will send out new procedures for pick ups relating to Years 6, 7, 8 & 9.
